domino 12 box large family game

domino 12 family box domino with 96 wooden dominoes monkey pod wooden game Thailand

Domino with 12 points and a lot of dominoes in wood for the Domino evening with up to 9 players. In the field of mathematical tilings and polyominoes, the word domino often refers to any rectangle that results from joining two congruent squares edge to edge. The traditional Sino-European domino set consists of 120 dominoes, colloquially little legs, cards, tokens, cards, stones or spinners. Each Domino is a rectangular tile with a line dividing its face into two square ends. Each end is marked with a number of dots (also called pips) or is empty. The backs of the dominoes in a sentence are indistinguishable, either empty or with a common design. You play the 12 Domino like the other Domino but you have the possibility to create the number 12 ...
