go gobang japanese chess go bang

Go the Japanese chess game Gobang with wooden lenses strategy game in wooden box monkey pod thai wooden games

Go game or Go Bang the Japanese chess game ... here in a beautiful wooden box with wooden lenses to play for 2 people ... Go is played on a board of 19x19 lines with black and white playing pieces. It is always set alternately on the intersections of the board. The goal of the game is to make more territory than the other player. Go is a strategy game for 2 people in which intuition, combination, tactical and planning judgment and overview can be used to the highest degree. Its advantages are the constant change of attack and defense; the impossibility of playing a draw; the compensation possibility of the game strength by default stones and the countable in points profit evaluation ...
