Abalone strategy game for 2 players as wooden game monkey pod wooden games thailand

Abalone is a classic strategy game for 2 people. The aim of the game is to push the opponent's balls over the sidelines without jeopardizing his own balls. Abalone is a two-player strategy game of planning and strength. You can move up to three or four balls together with the goal of maneuvering near your opponents and knocking his abalone balls off the board. If your balls in a line surpass those of your opponent (for example, you have three and you have only two), you can do a "sumito," literally pushing one of the opposing pieces across a square in his direction. Do it several times you will defeat the opponent. Move off six balls of the opponent and you win! This is a particularly high quality version of the game with a beautiful hardwood base and large ceramic balls ...
