ludo dice game small travel box

ludjamgo dice game in small wooden box for traveling monkey pod game thailand

Ludo Box small a mini travel variant of the dice game for 4 traveling players. Ludo Wooden Board Game is great fun for two to four players where strategic decision making is used to win the game. Players race their four pegs from start to finish according to die rolls. During gameplay, a piece moves from its starting position, clockwise around the perimeter of the board, to the finishing spots. Each player can enter his finishing spots only. The winner is the player whose four pieces finish the journey first. The game includes a wooden board, 16 pegs, and a wooden die. It comes complete with instructions, a wooden box, and matching lid.
