pylos pyramide of pharaoh last ball

Pylos strategy game the pharaoh pyramid with 30 wooden balls from monkey pod wood thai wooden games

Pylos the pyramid of the pharaoh strategy game. This is the last bullet ... WHO? ... lay the top of the pyramid is the pharaoh of the Pylos pyramid. Pylos to the top of the pyramid. The two players each receive 15 balls, which they take one by one, alternately on the game board and grow the shape of a pyramid. With simple principles, balls can be saved or removed from the Pylos pyramid. Because only the most thrifty and strategic player who places the last ball on the top of the pyramid has won the game. A simple rule of the game, short rounds of play and clever tactical solutions, that's what sets Pylos apart. Pylos or last ball or pharaoh is not only a game, but also a beautiful decoration object for your room.
